TECHNICAL SKILLS

- **Languages:** Java, JavaScript
- **Web Technologies:** HTML5, CSS3
- **Tools:** Git, GitHub, VS Code, Eclipse, IntelliJ IDEA
- **MSOffice :** Word, PowerPoint
- **Database:** MySQL
- **Operating System:** Windows

CERTIFICATIONS

- Programming in Java -Nptel
- Frontend development -AICTE
- UI/UX - vel technology Pvt.Ltd
- SQL(Basic) -Skill Rack

LANGUAGES KNOWN

- English
- Tamil

HOBBIES

- Drawing and Sketching
- Craft Making

OBJECTIVES

Passionate B.Tech IT student with skills in Java, HTML, CSS, and JavaScript. Seeking an internship or entry-level opportunity to develop innovative applications, enhance technical expertise, and contribute to organizational success through continuous learning and dedication.

EDUCATION

Bachelor of Technology (B.Tech)

S.A Engineering college | 2023-2027
CGPA- 8.12 upto 5th Sem

Sri Venkateswara Matriculation Higher Secondary School (12th)

Percentage :82%

PROJECT

AI-Based Image and Video Deepfake Detection System – Python, Vision Transformer (ViT), OpenCV, PyTorch

- Developed an AI-powered system to detect manipulated images and videos using Vision Transformer (ViT) technology.
- Implemented support for image, video, and real-time webcam inputs to enhance usability across multiple platforms.
- Integrated confidence-aware prediction and Grad-CAM heatmap visualization to improve detection reliability and model transparency.
- Applied temporal frame analysis for video processing to identify inconsistencies and improve deepfake detection accuracy.
- Designed a user-friendly interface for media upload, result visualization, and confidence score analysis.

Weather Forecast Application – HTML, CSS, JavaScript, OpenWeather API

Developed a weather forecasting web application using HTML, CSS, JavaScript, and OpenWeather API for real-time weather updates and city-based search functionality.

Personal Portfolio Website – HTML, CSS, JavaScript

Designed and developed a responsive personal portfolio website to showcase technical skills, projects, education, and contact information. Implemented modern UI/UX design, smooth navigation, interactive animations, and mobile-friendly layouts to create an engaging user experience and professional online presence.

ACHIEVEMENTS

Secured 1st Place in the Intramural Throwball Competition
